### 2020 Triple Crown

The Board of Directors of the Club 420 Association is proud to announce the 2020 Triple Crown series. After five successful years of record participation, we have refined the series to be more focused on the major Club 420 championships throughout the year.

Competitors will earn points in the series based on their placement in each qualifying regatta. Only the top 3 regatta scores for each boat will count toward the Triple Crown standings.

In the 2020 Series there is a requirement to register your boat, this will help us track the results and keep them accurate. The registration is free, to register follow the link on the Club 420 website under the schedule section.

## Rules

1. **Organizing Authority** – the Organizing Authority of the Triple Crown series is the Club 420 Association, Inc.
2. **Eligibility** - Each entrant must be a current member of the Club 420 Association; this includes both skipper and crew. Each skipper/crew combination must stay the same through each event of the series to have that event count towards their total score. Each boat intending to compete for the series must register for the series. Entrants must use the same sail number for the entirety of the series. In order to be counted, all boats intending to compete for the series must be registered by the end of the protest time limit on the last day of racing at the 2020 North American Championship.
3. **Ties** - In the event of a tie, the results of the 2020 North Americans will serve as the tiebreaker. If one or both tied contestants does not sail the North American Championships, the finish of the last regatta both contestants sailed will break the tie.
4. **Scoring** - Points earned from placement at each of the qualifying regattas will determine the Triple Crown. Only the top three (3) regatta scores will count (each boat's worst regatta finish will be dropped). The scoring system is a low point scoring system.
5. **In the event of no regatta** – Then no scores will be counted for that regatta.
6. **Missing an event** - If a team, skipper and/or crew do not sail in a regatta, the score is a Last place plus ten (10) places for the contestant for that regatta.
7. **Awards** - The winners for Triple Crown awards will be determined by the total of the points allocated. Awards will be given for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places. The award ceremony will be at the conclusion of the 2020 Club 420 Buzzards Bay Championship.
8. **Points** – All four regattas in the 2020 Triple Crown Series will carry the same weight and be scored equally, with the exception of dropping the competitor's worst event.
