2017 Triple Crown

The Board of Directors of the Club 420 Association is proud to announce the 2017 Triple Crown series. After four successful years of record participation, the series has been expanded to be more inclusive with more qualifying regattas added throughout the country to give members a chance of competing for the coveted Triple Crown.

Competitors will earn points in the series based on their placement in each qualifying regatta. Only the top 3 regatta scores for each boat will count toward the Triple Crown standings.

In the 2017 Series there is no requirement again to register. Your registration in a Triple Crown event will put you in the results. However, please note that each skipper/crew combination must stay the same through each event of the series to have that event count toward your total score.

2017 Qualifying Regattas:

- The final standings of the 2016/17 C420 Perry Series, CA, US
- Canadian C420 National Championship, Royal St- Lawrence Yacht Club, Quebec Canada
