

## **2019 C420 San Francisco Training Camp**

**REGISTRATION IS NOW CLOSED WITH A WAITLIST UNTIL FURTHER NOTICE. WE ARE ASSESSING WHETHER WE CAN EXPAND THE CLINIC AND WE WILL COMMUNICATE IF THIS CHANGES. THANK YOU.**

**When:** July 6-8, 2019

**Where:** Peninsula Youth Sailing Foundation (PYSF), Redwood City, CA

This training Camp is meant for any c420 sailors who want training in breeze! The coaches will be working on speed, boat handling and starting in big breeze, current and waves to get ready for the 2019 C420 North Americans at St. Francis Yacht Club.

This location is ideal for training for North Americans with plenty of breeze, waves and current. There are areas to be protected in too, so it is a great venue to ease into the big breeze. Redwood City is down in South San Francisco Bay in Silicon Valley. There is lots of space for trailers, coaching etc...

PYSF is the host and will have 10+ of their c420 teams getting ready for North Americans who will be joining us at times.

**Lead Coach:** Udi Gal, a former Olympian sailor and outstanding C420 coach. He will be securing additional coaches as needed and they will be announced soon.

Contact our Executive Director at: [ed@club420.org](mailto:ed@club420.org) for questions.

**Registration:** Given the high demand, we will have to put a cap on this clinic. You can get to registration via the Club420 website in the Events Calendar. The initial cap is 14 boats, and additional slots may be released from the waitlisted sailors.

Registration is \$600.00 per boat. The cost includes, coaching, boat storage, lunches and snacks, water.
